Against a dirk and shifting J-D landscape, the working of the invited underworkd known as BATTLE RANN TOSHINDIN 27 wook your return. How do they know you'll be back! Lest just say list a get feeling, As in the first 380° go-round the moves are lesthal, the stages viscaral and the characters, wicked. And this time, the original sweepers are joined by a new crew of lighters. Like Tracy, the soay cog goor back Yerm, mercless madmars and Choo, as friendly fells who happens to swing a sickle. All of the mell lesson to get to show you better. On every level.

So welcome back. And plan to stay awhile. Because here in Battle Arena Toshinden 2, these forsaken foes aren't just out to take you down. They're down to take you out.
